The image shows a mobile application interface for a parent login. At the top, a blue header bar contains the time '11:02' and the app name 'Autism'. Below the header, the background is a light blue gradient with a complex network of thin, intersecting lines in various shades of blue and purple. In the center, there are two input fields: the first is labeled 'Username' and the second is labeled 'Password'. Below these fields are two buttons: a blue button labeled 'LOGIN' and a white button labeled 'SIGNUP' with a blue border. The overall design is clean and modern.

NEW REGISTRATION (PARENT)

A mobile application interface for a new registration form. The top status bar shows the time 11:03 and various icons. Below it is a dark blue header with the word "Autism" in white. The main area has a light blue background with a geometric line pattern. The form consists of several labels on the left and corresponding input fields on the right. A dark blue "REGISTER" button is centered below the input fields. At the very bottom, there is a small dark blue horizontal bar.
